## ABOUT US

**CEPAT GLOBAL OIL & GAS NIGERIA LIMITED** (herein after referred to as CEPAT) is a privately owned indigenous Company, focused on providing diverse services to the upstream and downstream sector of the oil & gas industry in Nigeria. It was incorporated as a limited liability company under the laws of the Federal Republic of Nigeria as a wholly owned Nigerian company in 2012 to carry on the business of drilling support for the oil and gas industry; install rigs; sink well; and lay pipelines. It is also involved in the business of marketing, supply and trading of crude oil and petroleum products. We adhere to the highest standards of professionalism and strive to exceed the expectations of our clients through integrity, imbuing very strict safety culture and quality service delivery. To us safety is not an act but part of our culture which ensures we deliver quality services safely.

We believe we offer a more personalized approach to contracting which in turn offers a rapid response, quality service to the customer, at a lower cost. The philosophy of the company is to provide quality services at a competitive price.

**CEPAT** is a multi-disciplinary company with global standard in perspective and this forms our paradigm in service development. With our collaborating alliances with different companies that have made indelible impression in their areas of specialization, we guarantee best service delivery to our clients. Our services are carried out according to International Standards and Specifications.

## ORGANIZATIONAL STRUCTURE

## OUR VISION

To be recognized as the premier indigenous oil and gas service provider driven by excellence and innovation in quality services, safely, on budget and on time.

## OUR MISSION

- To create value for our partners through excellence and innovation.
- To be responsible partners with respect to safety and environmental impact of all our operations and services.
- To run the company on a sustainable financial basis of profitable growth.
- To recruit, retain and reward high-performance workforce.

## CORE VALUES

In today's working environment, we have core values which we imbibe as guiding principles that define our personnel culture and mode of behavior.

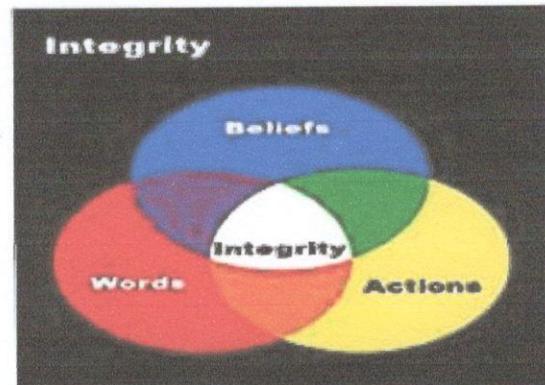

### Safety

We work hard to ensure that safety is the key min-set established before every operation. It is a culture that is transmitted from top to bottom as a lifestyle in order to ensure the wellbeing of our employees, partners, clients, communities and varying stakeholders accordingly.

## Integrity

We treat our stakeholders with respect, honesty and openness with the belief that transparency is key to establishing best working relationships. Being ethically unyielding and inspiring trust by saying what we mean and doing as we say. As a rule, we conduct our business in accordance with global best practices.

## Quality Service Delivery

Being the core expectation of our clients, our operations are in accordance with international standards, meeting or exceeding their expectations. *We are inspired to do it better.*

### **Customer Satisfaction**

In Cepat, we sit on the same sides with our clients with the utmost goal of seeking solutions to challenging issues irrespective of profitability.

### **Team Work**

A team that works well together understands the strengths and weaknesses of each team member. One of the benefits of strong teamwork in the workplace is that team leaders and members become proficient at dividing up tasks so they are done by the most qualified people. We strongly believe that if we empower each other, together, we can deliver on our promises.

## SERVICES

### **Petroleum**

#### **In bulk supply**

Wholesale petroleum products supplied and delivered straight to your premises.

- Gases & Gas Mixtures
- Jet Fuel & Aviation Gasoline

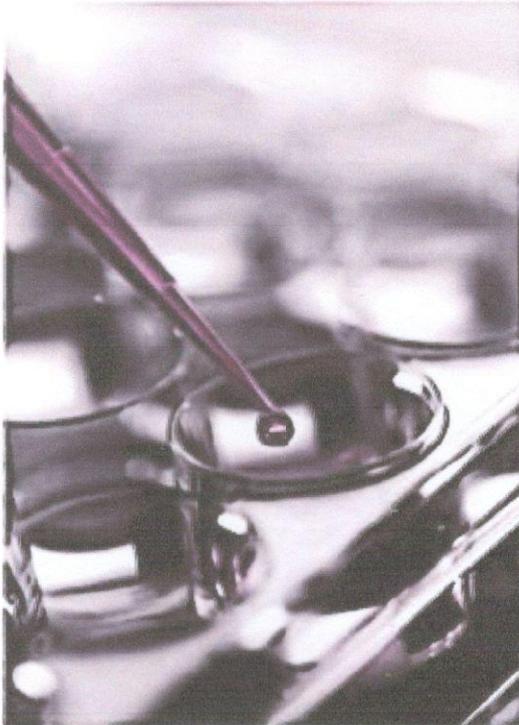

## **Lubricants**

Cepat supplies the most comprehensive range of quality lubricants and greases to a variety of industries. As experts, we advise our clients on how using the right lubricants can offer substantial savings by helping to maximize equipment efficiency, prolong capital equipment life, and reduce maintenance costs.

### **Products**

- Automotive Lubricants
- On-Road Transportation (Trucks & Buses) Lubricants
- Off-Road Equipment (Earth Moving Machinery) Lubricants
- Marine &
- Industrial Lubricants

## Chemical

Cepat offers a full range of commodity chemicals.

### Products

- ✔ Polymers
- ✔ Solvents
- ✔ Fertilizers

## Logistics

Logistics is the process of planning and executing the efficient transportation and storage of goods from the point of origin to the point of consumption. In an age where competitiveness, flexibility and customer service are key to success, a business has to be versatile enough to keep up with unexpected market demand.

## **HAULAGE SERVICES:**

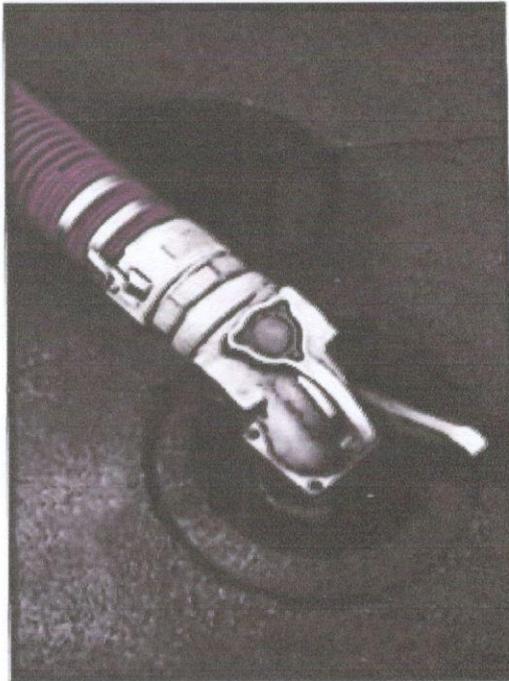

Cepat has mastered the art of haulage services with respect to equipment, materials movement and petroleum products.

Our operations department oversees the haulage services and it is equipped with state of the art safety equipment and standards that ensure we deliver the best all round service to our clients.

We understand the importance of timely delivery of services to our clients operations without compromising safety. Our equipment's and machineries are routinely maintained to ensure best performance and minimize the chances of accidents and downtime.

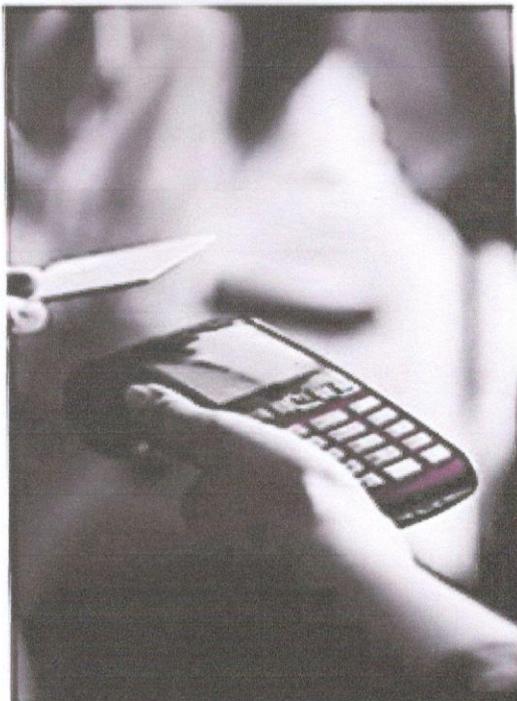

Our equipment's includes but not limited to:

## **Infrastructure**

Whatever your industry and however specialized your infrastructure needs, we offer assistance from site selection to depot design, regulatory compliance and approval, and construction.

## **Retail**

Whether your big dream is to build, expand or outsource a fuel station enterprise, Cepat has the expertise, infrastructure and personnel to help you achieve your dream – anywhere in Nigeria.

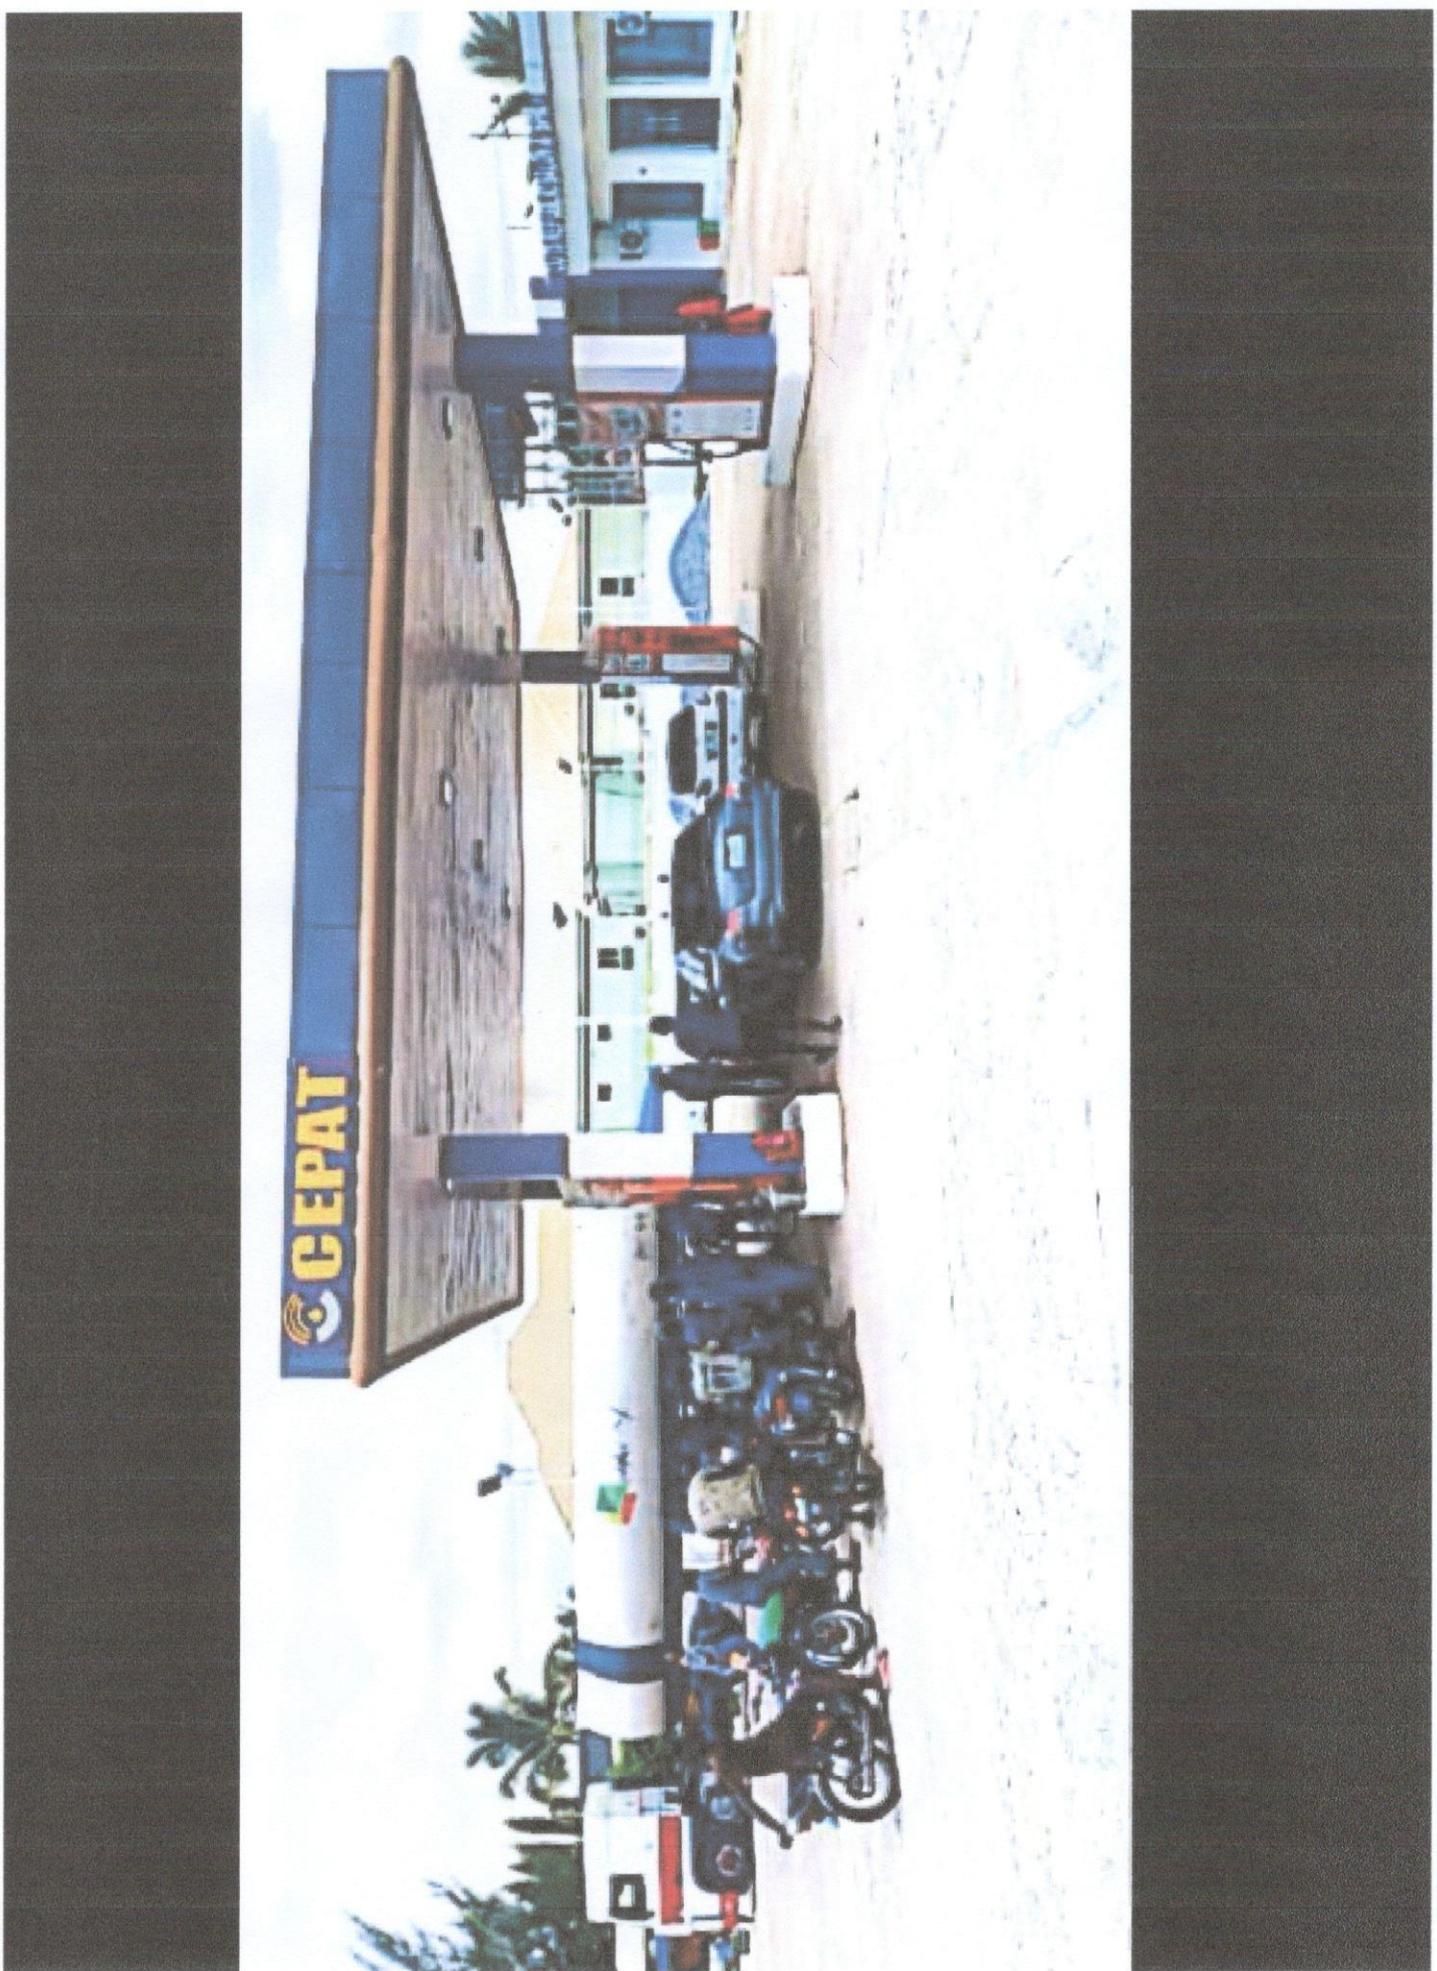

## CEPAT LOCAL CONTENT

**Local Content:** The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human and material resources in the Nigerian Petroleum Industry.

The above excerpt is a guiding principle to how Cepat works, and how our operations impact positively on the development of our host communities.

Further impacting on our growth strategy, Cepat has tremendously added value locally, this is evident via the varying equipment's owned and the personnel trained and empowered over the years.

Our local content, knowledge and technology transfer plan is aimed at increasing local personnel ratio in each project through on-the-job training, experience and certification therefore, making them available for other major projects.

We also promote the improvement of our local workforce by encouraging training, both locally and in the facilities of our affiliates and technical partners abroad for a robust career development.

## **WE ARE COMMITTED TO QUALITY, HEALTH SAFETY SECURITY AND ENVIROMENT**

As a company, Quality, Health, safety, Security and Environmental issues take precedence in all areas of our operation. In order to ensure safe and incident –free operations, we adhere to the highest safety standards ensuring no work is too important to compromise safety. It is a core value that reinforces our culture of safe behavior.

We are well placed to prioritize human factors, ensuring that the risk of workplace injury is as low as possible. We recognize that people are our most important asset and it is our responsibility to ensure that all personnel, whether working directly for us or on our behalf always have a safe place to work. We go further to instil these values such that each one of us embodies a safety inclined lifestyle which is also distilled down to our individual family living. We will continuously strive to promote a healthy living lifestyle albeit at home, at work or in play.

We are environmentally aware therefore we work to minimize the impact of our activities on the environment through a sustainable environment policy that guides our operation.

To ensure our quality control and quality assurance system meets global standards. We are working to subscribe to the various international safety, quality and environmental standards such as ISO9001, 14001 and OSHAS 18001.

We also comply with all applicable QHSSE laws, regulations and industry requirements related to our work activities in whichever field and environment we operate.

## **OUR CAPABILITIES**

### **INDIGENOUS COMPANY STATUS:**

There are currently numerous initiatives by the Nigerian government to strengthen the capacity of indigenous companies and to increase their activities in the Nigerian oil and gas industry.

### **SIGNIFICANT NIGER DELTA REPRESENTATION:**

A great majority of staffs of the company are from the Niger Delta region of the country. This is the region that is responsible for more than 95% of the oil and gas assets. Our founders and directors enjoy an unrivalled influence in the region, and we possess strong knowledge of the local and regional dynamics.

### **LEVERAGE ON SISTER COMPANIES:**

We have sister companies that provide complementary services and have remarkable track records in the oil support services especially in construction and marine logistics.

### **STRATEGIC RELATIONSHIPS:**

- Government
- International Oil Companies
- Oil bearing communities
- Original equipment manufacturers

### **EXPERTISE:**

We aggressively recruit and retain the best talents to ensure high-performance.

### **FINANCIAL STABILITY:**

We have developed a remarkable reputation with several financial institutions within Nigeria and currently maintain a solid financial base to execute major projects. Our management account reports are readily available for concerned parties.

### **CLIENTS**

We take pride in the reputation we have built with our clients some of which include:

**AWARD OF CONTRACT FOR THE SUPPLY OF 15,000 LITRES OF DIESEL WITH DENSITY: 0.84 - 0.85Kg/L TO THE MINISTRY HEADQUARTERS (WORKS SECTOR), FOR THE RUNNING OF THE 7NOS. GENERATORS SERVING THE WORKS BUILDINGS OF THE MINISTRY**

I am directed to convey to you the approval of the management for the award of the contract for the **Supply of 15,000 Litres of Diesel with Density: 0.84 - 0.85Kg/L to the Ministry Headquarters (Works Sector), for the running of the 7nos. Generators serving the Works Buildings of the Ministry**, at the contract sum of **N17,415,000.00 (Seventeen Million, Four Hundred and Fifteen Thousand Naira)** only, inclusive of all relevant taxes, with a delivery period of three (3) days from the date of the signing of contract agreement.

2. The award is in accordance with the detailed specifications/scope of your tender, which include but not limited to the below tabulated schedule of contract:

S/No	Item Description	Unit	Qty	Rate (N:k)	Amount (N:k)
1	Supply of Diesel (AGO)	Litre	15,000	1,080.00	16,200,000.00
	<b>Sub Total</b>				<b>16,200,000.00</b>
	Add 7.5% VAT				1,215,000.00
	<b>Total</b>				<b>17,415,000.00</b>

3. Please note that this award is also made contingent upon you fulfilling the following further conditions:
- submit a formal letter of acceptance or otherwise within five (5) working days of receipt of this offer along with your company account details;
  - liaise with the Department of Legal Services for execution of a formal Contract Agreement, wherein specific contract details shall be agreed upon;
  - note that the contract is fixed, firm, non-transferable and deemed duly terminated by effluxion of time unless otherwise formally reviewed by the Ministry;**
  - note that payment shall only be made upon successful completion as may be certified by the Ministry or her representative; and
  - maintain a healthy liaison with the relevant user Department (Engineering Services) to enable the necessary supervision in the cause of the contract implementation.
4. Congratulations.
